tasting notes

A unique blend in South Africa, and for that matter, in the world! With all components fermented together, another unique concept comes to the fore. This wine is from the beginning destined to be Kroon. Thus only the best grapes are used for this small production of our Flagship wine. Intense aromas of plum, chocolate, cinnamon. A very restrained wine that keeps on developing in the glass. A vibrant acidity balances the flavours and makes it a great complement to food. This wine will drink wonderfully now but will age gracefully for another decade.

blend information

44%Shiraz, 31%Pinotage, 25% Grenache

food suggestions

Will complement good food like red meat or venison dishes.

in the vineyard

Darling Cellars Premium comes from specific vineyards which are selected for their uniqueness in prominent terroir flavours. These vineyards are planted in the best terroir for the specific varietal. Vineyards are carefully monitored by the winemaker who ultimately decides when the grapes will be harvested. These grapes are handled separately in the cellar to preserve their natural quality and uniqueness.

Darling Cellars Premium is a dedicated concept from site selection, through to the final drop in the glass at the end of a bottle.

Terroir: Deep dark coloured soils from decomposed Granite in the Darling Hills. Micro climate positively influenced by the Atlantic with sunny days and cool evenings.

Vineyard type: Bush Vine, no irrigation.

about the harvest

Yield: 3 - 4 t/ha

Balling at Harvest: 25°B

in the cellar

Vinification: Crush and destalk, 14 days fermentation at 25°C. All components are fermented together.

Maturation: Aged for 15 months in new 300 litre French oak barrels.
