food suggestions

Relaxing with friends or as an Aperitif with some savoury bites. Drink slightly chilled to appreciate its vibrancy – just below European room temperature. Enjoy this medium bodied Pinotage with grilled yellowtail or snoek with grape or apricot jam and farm bread. Also an excellent partner to a pizza or braai.

in the vineyard

The vineyards for this wine are situated on the northern slopes of the Banhoek Valley, ranging in altitude from 450 - 500m above sea level allowing for moderate temperatures. We harvest eight tons per hectare.

about the harvest

The grapes were hand harvested in the middle of March 2013.

in the cellar

The intensely flavoured and impressively pigmented bunches were taken directly to specialized red wine fermentors for an overnight 'cold-soak'. This allows for colour extraction early on in the winemaking process. Fermentation took place with temperatures peaking at 25°C. The wine was pressed off the skins directly after fermentation. Following malolactic fermentation, it was matured for 6 months on French Oak staves.
