taste Mineral

tasting notes

The wine clearly expresses the minerality and spice expected from the vineyard and it is supported by fruit and a hint of aniseed. It is naturally fresh with good palate weight and balance.

blend information

50% Syrah, 30% Carignan, 20% Grenache

in the cellar

This wine was created to reflect the "Terroir" using only classic varieties of the region. Each component was vinified separately before blending in December. Use of oak was limited to ensure a style that expresses the site without being masked by wood.
