vintage 2014

analysis alc: 13.5 | rs: 2.8

type Red

style Dry

taste Fragrant

body Full

producer Game Reserve Wines

winemaker The Game Reserve

wine of origin Western Cape

tasting notes

The wine has a great complexity of black berry fruit, dark chocolate, plums and tobacco spice on the nose. This wine has a rich, juicy entry supported by a dense fruit core and firm tannins. An elegant creamy palate leads to a long lingering finish.

blend information

100% Cabernet Sauvignon

food suggestions

Excellent with North African dishes, spicy Moroccan tagines, osso bucco and hearty risottos.

in the vineyard

A unique selection of prime Cabernet Sauvignon vineyards from our estate in Robertson and Firgrove, Stellenbosch and dry land vineyards in Groenekloof, Darling. This includes a site located on the South-East facing slope of the Rooiberg Mountain that incorporates the game reserve on the Graham Beck property. The Cabernets are planted on red Karoo soil in Robertson, on Coffeestone soils in Stellenbosch and well weathered deep red soils in Darling. The vineyards yield around 6 to 8 tons per hectare.

about the harvest

The grapes were handpicked at full phenolic ripeness.

in the cellar

Destalked, gently crushed and fermented with 4 daily pump overs to ensure maximum extraction. Matured in combination of 1st, 2nd and 3rd fill French oak barrels for 12 months.
